

Disclaimer

This document may contain forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995 with respect to the financial condition, results of operations, business, strategy and plans of TotalFinaElf. Such statements are based on a number of assumptions that could ultimately prove inaccurate, and are subject to a number of risk factors, including currency fluctuations, the price of petroleum products, the ability to realize cost reductions and operating efficiencies without unduly disrupting business operations, environmental regulatory considerations and general economic and business conditions. The financial information contained in this document has been prepared in accordance with French GAAP, and certain elements would differ materially upon reconciliation to US GAAP. TotalFinaElf does not assume any obligation to update publicly any forward-looking statement, whether as a result of new information, future events or otherwise. Further information on factors which could affect the company's financial results is provided in documents filed by the Group and its affiliates with the French Commission des Opérations de Bourse and the US Securities and Exchange Commission.

TotalFinaElf reports the impact on income of non-recurring items, consisting of incomes and charges for the period, which are unusual or significant in nature. Items from operating income from business segments excluding non-recurring items, and net income per share excluding non-recurring items, presented in financial communications (operating income from business segments excluding non-recurring items, net operating income from business segments excluding non-recurring items and net income excluding non-recurring items) and in the footnotes to the financial statements of the Group containing segment data are non-GAAP measures obtained by excluding the non-recurring items described above from the GAAP figures. They are presented in order to facilitate the analysis of financial performance and the comparison of income between periods.
